MACHINES FOR  
**WOOD**  
& PALLET  
INDUSTRY

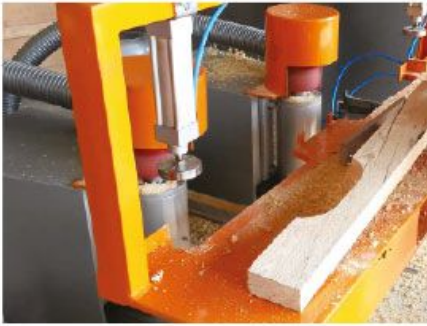

**Double head pallet notching machine**  
Quickly notch boards, recycled material and cants.  
Manual feeding with one operator.

**Çift kafa palet oyma makinesi**  
Hızlı tahta, kalas ve geri dönüşümlü malzeme  
oyar. Manuel besleme

#### Features / Özellikler:

2 special cutter heads  
2 özel kesim başlıkları

\* Pneumatic system  
Pnömatik sistem

\*\* Servo system  
Servo sistem

#### Specifications / Özellikler:

##### Processing capacity:

İşleme kapasitesi:

|                |                 |                         |
|----------------|-----------------|-------------------------|
| Carving length | Oyma uzunluğu   | : Min. 200mm Max. 350mm |
| Carving height | Oyma yüksekliği | : Max. 100mm            |
| Carving width  | Oyma genişliği  | : Max. 70mm             |

##### Speed:

Hız:

|                  |           |                                              |
|------------------|-----------|----------------------------------------------|
| Processing speed | Oyma hızı | : [240 pcs/h. saat]<br>4 Pcs./min 4 Adet/dk. |
|------------------|-----------|----------------------------------------------|

##### Power:

Güç:

Variable power / Değişken güç

|             |            |        |           |            |        |                 |
|-------------|------------|--------|-----------|------------|--------|-----------------|
| Main motor  | Ana motor  | : 11kW | <b>A*</b> | <b>B**</b> | 11kW   | (2 Pcs. / Adet) |
| Total Power | Toplam güç | : 22kW |           |            | 23,5kW |                 |
